The screenshot displays the IBM Cognos Analytics with Watson user interface. At the top, a navigation bar includes the IBM logo, a search bar, and user profile icons. Below this, a blue banner shows a maintenance notification and a progress bar for 'Analyzing salesmonthly.csv' with 'Cancel' and 'Details' buttons. The main content area features a welcome message: 'Hello. Welcome to Cognos Analytics with Watson.' followed by instructions to watch an introduction video or take a product tour. A 'Quick launch' section at the bottom offers four primary actions: 'Upload data' (upload or drag and drop files), 'Prepare data' (use modules to clean and connect data), 'Exploration' (find unbiased answers by identifying trends), and 'Present data' (create sophisticated multi-page dashboards).
